6. **Short Comparison (Amazon vs Alibaba)**

Both Amazon and Alibaba are e-commerce websites with similar audiences.

- **Repetition:** Both use consistent colors and design across pages.
- **Contrast:** Amazon is cleaner and easier to read; Alibaba is more colorful.
- **Proximity:** Product info (image, price, details) is grouped together on both sites.
- **Alignment:** Amazon is more organized; Alibaba is slightly more crowded.

Conclusion: Amazon is simpler and cleaner, while Alibaba shows more information.
